## **Format**

### ***Saturday Holes 1-9 Scramble***

Each player on the team hits a tee shot, and then the players decide which shot they like best. The two players then play from the preferred shot location. The player whose shot was not selected picks up their ball and moves it within one club length of the selected shot, keeping the ball in the same condition and then plays his or her ball from there. This continues until both players hole out. When on the green, ball must be placed within one putter head length of the preferred ball location.

Handicap - 50% of team average

### ***Saturday Holes 10-18 Better Ball***

Each player plays their own golf ball and the lower score between the two, on each hole, counts as the team score.

Handicap - 90% of individual handicap

### **Sunday Holes 1-9 Modified Alternate Shot**

Each player on the team hits a tee shot. The best ball is selected to play next and the player who's drive was not selected hits the second shot. The two players play alternate shot into the green, alternating until the players hole out.

Handicap - 40% of team handicap

### **Sunday Holes 10-18 Shamble**

Each player on the team hits a tee shot. The best ball is selected. From the best ball location, both players play his or her ball into the green until holed out. The lower score between the two, on each hole, counts as the team score.

Handicap - 70% of individual handicap

*Flight Winners*

*Playoff Modified Alternate Shot*

*on Hole #9*

### **Entry Fee/Per Player**
